

# CAREER OPTIONS in Physics

Aerospace Engineer  
Air Pollution Control  
Astronomer  
Astrophysicist  
Atomic Research Technician  
Biophysicist  
Chemist  
College Teacher  
Computer Scientist  
Electrical Engineer  
Electronic Engineer  
Environmentalist  
Geologist  
Geophysicist  
High School Teacher  
Hydrologist  
Industrial Health Engineer  
Industrial Hygienist  
Laboratory Technician  
Materials Researcher  
Medical Instrumentation Designer  
Medical Technologist  
Metallurgist  
Meteorologist  
Mineralogist  
Museum Technician  
NASA Scientist  
Nondestructive Test Tech  
Nuclear Physicist  
Oceanographer  
Optical Scientist  
Patent Lawyer  
Photogrammetrist  
Physical Geographer

Physical Scientist  
Planetarium Technician  
Radiologic Technologist  
Quality Control Technician  
Sales: Scientific Instruments  
Satellite Designer  
Science Librarian  
Science Museum Staff  
Seismologist  
Statistician  
Systems Analyst  
Technical Programmer  
Technical Writer  
Weather Forecaster
