

LOGISTICS, DISTRIBUTION and WAREHOUSE JOBS.....August 2024

Providers of air, ocean and ground services hire **air import agents, shipping specialists, inventory control or planning specialists, logistics or distributions analysts, and supply chain coordinators**. Businesses such as **UPS** and the **U.S. Postal Service** whose main function is the distribution of goods hire **loaders, sorters, dispatchers and drivers**. **Amazon** has local distribution centers and its own fleet of trucks plus contractors.

Distribution Centers can be found in **industrial parks in North Concord, Richmond, Benicia, etc.** and tend to cluster in areas such as **San Leandro, Livermore or the Port of Oakland**. **Driving, warehousing, materials handling, packaging, inventory and dispatch** jobs can be found there. They can also be found with **companies that manufacture products**. Here is a list of industries along with **examples of employers who have local distribution centers, retail centers and/or manufacturing facilities that have a distribution unit that includes a warehouse**.

PACKAGE DELIVERY SERVICE AND/OR FREIGHT

Amazon [Amazon Jobs Hiring Now - Hourly & Shift Jobs @ Amazon](https://hiring.amazon.com) <https://hiring.amazon.com>
