

Salary Information Resources

October 2023

1. Talk to people in the industry. Find out the salaries for positions one step above and one step below your targeted position. Try alternate job titles. Use your LinkedIn connections to get first-hand information.
2. Scan job announcements and Internet postings for salary information. Use Google to search by your specific interest area.
3. **www.linkedin.com/salary**. This site builds from your LinkedIn headline and asks for more information in order to give you salary information
4. Use the following websites:

<https://www.labormarketinfo.edd.ca.gov> - This is the **California EDD website**. Select “Wages” for up to date information on employment & wages by occupation.

www.indeed.com/salaries - Put in job title or key word and zip code in the search box on **Indeed.com** to receive the average salary for matching jobs in that location. Average salary of jobs with related titles is also available.

www.glassdoor.com –Select “Salaries” from the top bar. Must register as a member on **Glassdoor.com** to get further information.

www.onetonline.org –Use Occupational Quick Search on **ONET Online** for career information that includes salary data for many occupations. This megasite allows you to find occupations by interest, field of work etc. and receive detailed information about each one.

[Careers and Career Information - CareerOneStop](https://www.careeronestop.org)- Select the “toolkit” on the **www.careeronestop.org** site and select “toolkit”, then “wages” and finally “salary finder”

[Job Seekers and Students free programs and resources \(jobsearchintelligence.com\)](https://www.jobsearchintelligence.com)- **JobSearch Intelligence.com** provides a salary calculator. Select “Job Seeker Programs” and “Salary Calculator”. Put in job title and your background to receive your personalized calculated salary. Links to jobs from Zip Recruiter.

[CareerBliss - Search Jobs, Salaries and Company Reviews | CareerBliss](https://www.careerbliss.com) – **careerbliss.com** has employee reported reviews and some wage data plus job search and salary information by job title or company name

[Personal Salary Reports | Salary.com](https://www.salary.com)- Select “Personal” and register. Basic information is free on **www.salary.com** for a 14-day trial period

[Payscale - Salary Comparison, Salary Survey, Search Wages](https://www.payscale.com) **https://www.payscale.com** offers A personalized salary report for a fee but a free cost of living calculator if you are thinking of moving to another area.
